ACTIVE LEARNING FOR GLOBAL LEADERS

Fostering students who see globally
and shape the future of their nation

Grade 2

The goal of the year is for students to learn how to debate. Every lesson focuses on mastering one of the skills necessary for the final debate, and each consequent lesson builds up on the skill previously learned. **The evaluation of the skills** is done three times a year in a form of a performance test and gives the teacher a chance to evaluate the students' ability to use the skills acquired.
